

## REMARKS

It is noted that claims 6-8 have been rejected as being indefinite. The claims have been amended and are believed to be free of any indefiniteness.

A timely filed terminal disclaimer is being filed herewith to overcome the rejection based on a non-statutory double patenting ground.

The application is believed to be in condition for allowance and such action is solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jack Shore". The signature is written in a cursive, somewhat stylized font.
